

VICIOUSLY FUNNY

Red Phoenix and Holden Street Theatres proudly bring you the Adelaide premiere of this **hysterically funny** play.

A Presidential election is pending. The USA is at war with Brazil (not Mexico) when there is a catastrophic **blunder** on the battlefield, followed by a **bizarre** murder in the White House.

How will they spin this **madness** for the voting public, especially when the President's wife is inconveniently a **'make love not war'** protestor?

This **rich, satirical comedy** was written around 40 years ago but set 40 years in the future. So right about now. Back then it was fiction. Now, we're not so sure!

COME ALONG AND LAUGH TILL IT HURTS.

'JULES FEIFFER is a very funny, very savage man. A comedian with a conscience is always a dangerous fellow to have around.'

THE NEW YORK TIMES

'Dramatically ambitious, utterly original and viciously funny.'
